

HOW TO UPDATE YOUR MEMBER MICROSITE

Now that the Santa Barbara South Coast is open for leisure travel, making sure your member microsite is up-to-date has never been more critical. And not just for travelers! Locals are looking for how they can “staycation” safely within the Santa Barbara South Coast. Please use this guide to ensure that you provide travelers and locals with the most relevant information on your business.

New to member microsities, we've added all-new fields for you to share with guests the health and safety standards and amenities your business has implemented. Join us as we work to keep travelers safe and to provide peace of mind while vacationing in The American Riviera®.

At a Glance

Successful microsities have five key qualities:

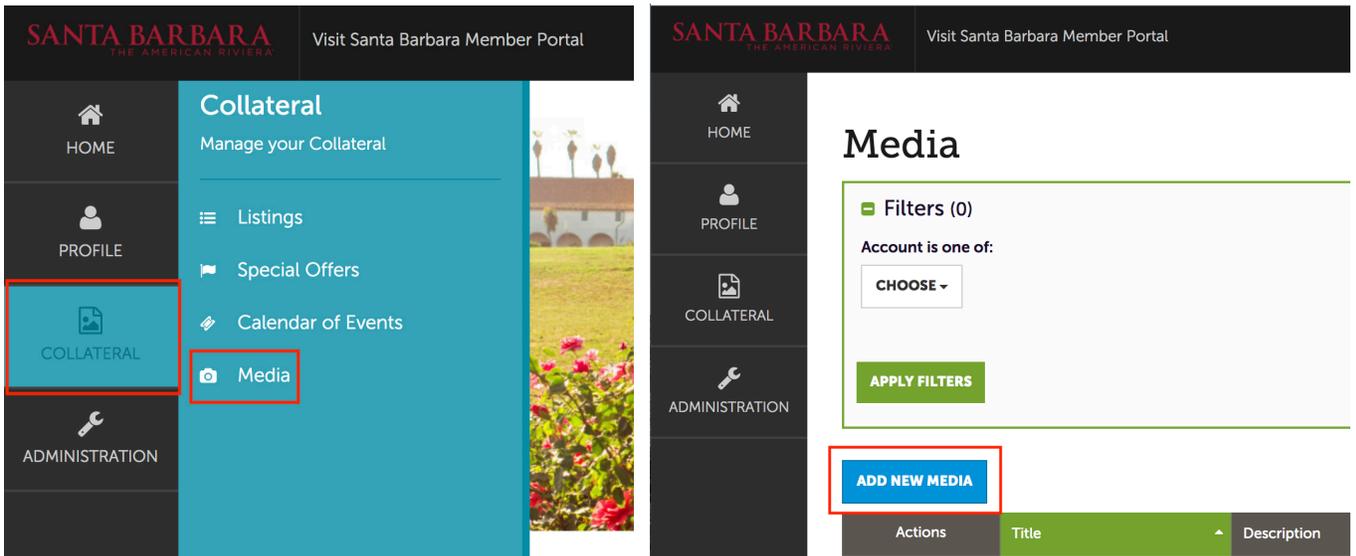

1. A high-resolution header image (1600x1067px) and a slideshow of 4-15 images (840-630px) - Images with text overlay will not be approved.
2. A high-resolution business Logo (200x200px)
3. Complete business information: address, phone number, website, social channels, hours of operation, property amenities, and menus if relevant.
4. A detailed business description that is at least 4 sentences (but ideally more!) highlighting your story and your offerings.
5. New! Updated Health and Safety Standards to ease traveler's concerns about traveling during COVID-19.

3. Under CONTACTS > Select your primary contact
4. Under Address Type > Choose from physical, billing or shipping
5. Under Keywords > Enter keywords to help visitors find you
6. Under Description > Enter your business' description.
 - a. The most viewed microsites are ones that have detailed descriptions. We recommend having at least four sentences explaining your business offerings.
 - b. TIP: The first 250 characters (approx.) will preview in search results so lead off with a concise pitch that sets you apart.
7. Under Images > Select images from your image library by clicking on them. Images with a green check are active and appear on the site.
8. Click SAVE after making any changes
9. Enter your social media URLs
 - a. This is VERY important to include during times of COVID. Many travelers are looking to social media to provide the most up-to-date business information or any interruptions in business service.
